Instructions to become an IEEE student member:
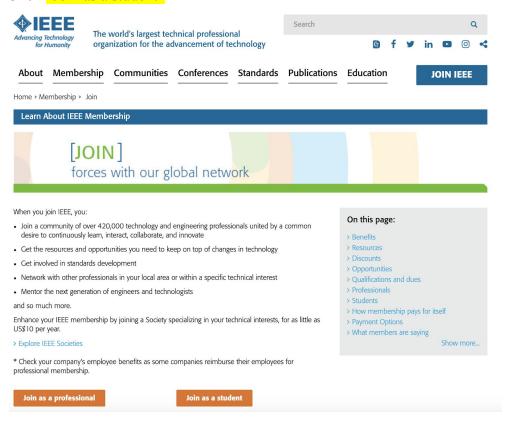

-Student membership cost: $32 annually
-Use your most commonly checked email.
-The address you use is for subscriptions. You can change these at any time after you make your account. (The monthly magazines will keep you up to date on the latest tech and research!)
-Select the most closely related academic goals if yours is not listed.

1) Go to the following link:

https://www.ieee.org/membership/join/index.html?WT.mc_id=hc_join

2) On this page you will be given options to join as a professional or as a student. Click "Join as a student"

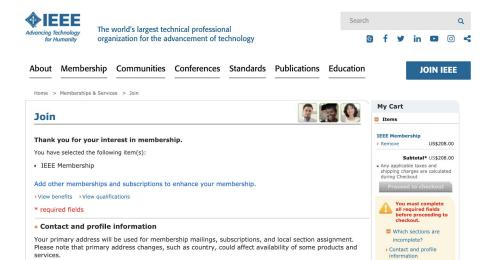

3) Next, you will be prompted to either log in or create a new account. If this is your first time, you will need to create a new account.

Create account or sign in to continue ?   ☒

Don't have an IEEE Account yet?

> sign in to various IEEE sites with a single account;
> manage your membership;
